Website _____

Is this lab a member of a laboratory network?

Yes No

If Yes, Network Name is: _____

What Matrices Does Your Lab Service? (Check all that apply)

Waste Water Drinking Water Soils & Hazardous Waste

If others, Please Describe: _____

What Analyte Categories Does Your Lab Service? (Check all that apply)

Organics Inorganic PCBs Dioxins Microbiological

List the states your lab has accreditations in:

- Check if you are New to GLEMP.
- Check if you are updating your information.
- Check if you already submitted this information.
(if already submitted, skip this step)
